COURSE MATERIALS

Text: Nelson Mathematics 9
Supplies: Scientific calculator, 3-ring binder, paper, graph paper, pencils, eraser, ruler

EVALUATION

Final Mark

Term Work (Tests, Quizzes & Assignments).....70%
Final Assessment (Summative Assessment Task, Benchmark Exam, EQAO Assessment).....30%

TOPICS

- | | | |
|-------------------------|------------------------|-----------------------------|
| 1. Number Skills | 5. Solving Equations | 9. Straight Line (Part I) |
| 2. Integers & Rationals | 6. Data Management | 10. Straight Line (Part II) |
| 3. Exponents | 7. Formula(e) | 11. Measurement & Geometry |
| 4. Polynomials | 8. Patterns & Graphing | |

EXPECTATIONS

Tests, Quizzes, Assignments, Etc.

- If a test or quiz is missed, your absence **must be validated** with a note to your teacher before you may receive a mark.
- **You** are responsible for making up missed evaluations on your **next day back to school**, unless there are extenuating circumstances. This must be discussed with your teacher.
- Students shall receive a mark of zero for:
 - i) Invalid absences
 - ii) Failing to make arrangements with the teacher regarding the missed test on the day of return to school.
 - iii) Cheating or copying on any form of evaluation
- Late assignments / projects **will be penalized**.

Homework, Attendance and Notes

- Homework will be checked every day for **quality, completeness and correctness**.
- You are responsible for **all** homework assigned with **good, organized solutions!!**
- You are responsible for **checking all answers** with the textbook or your teacher. (Use checkmark or * if you could not determine the answer on your own)
- Notes and work must be **organized, dated and in pencil** so that I can check your work easily.

Having trouble?

- 👍 Put an asterisk (*) next to all questions which gave you difficulty.
- 👍 Ask for help from your teacher, parents or other members of the class.
- 👍 The Math Help Room is available at lunch (Rm ____).
